

eMATH InstructionTM Inc.

Teaching Math Just Got a Whole Lot Easier

Sole Source Vendor

January 1, 2019

Dear School District,

eMath Instruction Inc. is the sole source vendor for all products created and produced by eMath Instruction Inc. These products include, but are not limited to, workbooks, electronic answer keys, online subscriptions, and videos. Because the catalogue of the products that we offer is continually growing, we cannot provide a complete list of the individual products in this letter. Some of our most popular items include:

1. Common Core Algebra I Workbook by Kirk Weiler and Garrett Matula
2. Common Core Algebra I Teacher Plus Answer Key Subscription
3. Common Core Algebra II Workbook by Kirk Weiler
4. Common Core Algebra II Teacher Plus Answer Key Subscription
5. Common Core Geometry Workbook by Kirk Weiler
6. Common Core Geometry Teacher Plus Answer Key Subscription
7. Algebra 2 with Trigonometry Workbook by Kirk Weiler
8. Algebra 2 with Trigonometry Teacher Plus Answer Key Subscription
9. Common Core Algebra I Spanish Language Edition Workbook – by Kirk Weiler
10. Software by Efofex, including FX Draw Tools and FX Science Tools.

All our workbooks are copyrighted. Additional information about all our products and their pricing can be found on our website, emathinstruction.com. Our products can be purchased by sending a purchase order to eMath Instruction Inc. at Orders@emathinstruction.com or to the address or fax listed below.

Thank you for your interest in eMath Instruction Inc. curriculum products for mathematics education. We hope to earn your business.

Regards,

Kirk Weiler
President and CEO
eMath Instruction Inc.
